

This document establishes a cooperative effort between the El Paso Leadership Academy (EPLA) Charter School District and the military community of Ft Bliss, TX. EPLA hereby resolves to provide on-going support for military connected families providing the following information and opportunities:

- A campus-based military liaison who will:
 - Support military connected students and their families with guidance through the enrollment process, assistance with transfer records, information on existing community resources, and other student supports
 - Offer professional development for staff members on issues related to military-connected students
 - Ensure PEIMS codes accurately reflect military-connected students

- An easily accessible web page that includes information for military-connected students and their families

- A strong Transition Program that includes the following:
 - Acclimation to a strong school environment and processes
 - Use of Student Ambassadors
 - Participation in newcomer social events, facilitated guided tours of the campus and accompanying new students to lunch the first week of school

- A strong school district participation in school/military connected partnerships with Ft. Bliss and other surrounding communities (e.g. White Sands Missile Range, Sergeants Major Academy)
 - Participation in “Relocation Fair” events as available
 - Recruitment efforts specifically targeting military-connected students/families
